MEET THE MANAGER

The portfolio is managed by RBC Brewin Dolphin’s Model Portfolio Service (MPS) team, a group of seasoned investment professionals overseeing portfolio strategy and fund selection.

EXPERTISE BEHIND THE PORTFOLIO

The Fairstone Brewin Dolphin range benefits from RBC Brewin Dolphin’s extensive investment resources and expertise in portfolio management. Their asset allocation team meets monthly to review and adjust the portfolio’s strategy, ensuring a balanced approach to risk and return across different asset classes.

Additionally, the Manager of Manager structure uses bespoke Open-Ended Investment Companies (OEICs) to select top-performing managers across asset classes, ensuring cost-effective and high-quality active management.

WHAT THIS MEANS FOR YOU

Expert Oversight

Actively managed by RBC Brewin Dolphin’s experienced MPS team, ensuring strategic decision-making and efficient fund selection.

Cost-Effective Active Management

100% of the savings from custom ‘building block’ funds are passed back to clients, ensuring lower investment costs.

Risk-Aligned

The portfolio adjusts to market changes while staying within your agreed risk parameters, ensuring investments align with your long-term goals.
